Nebuchadnezzar made three big mistakes

- ✓ He thought the gods of Babylon had given him his kingdom
- ✓ He prayed to false gods instead of the true God
- ✓ He looked to men to interpret his dream

- The image in Nebuchadnezzar's dream represents 4 world empires
  - 1) The Babylonian empire                      605–539 BC
  - 2) The Medo/Persian Empire                      539–332 BC
  - 3) The Greek Empire                              332–63 BC
  - 4) The Roman Empire                              63 BC–476 AD
- The Roman Empire will be revived
- Will I be caught up to be with Jesus at the rapture?
