

My Influence Matthew 5:13-16

Christians shed <u>light</u> on the <u>cosmos</u>

- The world desperately needs salvation
- © Compromise <u>negates</u> my testimony
- Salt is needed to stop <u>corruption</u>
- We are to let our lights shine
- Light is needed to dispel <u>darkness</u>

Is my life <u>salt</u> and <u>light</u> to those around me?

The <u>influence</u> I have is what I am

Salt must get out of the shaker
