Unusual Catch

Matthew 17:22-27

Jesus tasted <u>death</u> for every man

Jesus spoke often of His <u>imminent</u> crucifixion

Jesus' death and resurrection are <u>good</u> <u>news</u>

Because He lives we can face tomorrow

Jesus paid the price for our <u>redemption</u>

Jesus knows everything

Jesus became poor for our sake

Jesus trusted the Father to take care of Him

Jesus told Peter to go fishing

Our Heavenly Father takes care of His own

God specializes in things thought impossible
